Order ID: bKTU8Nul-_tGaDmjYB3Sjw==
Order date: Sep 4, 2026
Total: \$29.99

**GatewayGuard Checkup and...**[William F. Burns III](#)

Thank you for choosing GatewayGuard Checkup and the Security Walkthrough Guide. Your download link is below and holds two files - Checkup, and the Guide in the print size you chose. Nothing on your PC is changed unless you say yes, and you can read every line of Checkup yourself. If the print size does not suit you, reply to this email and we will send you a different one, free.

14 point - bigger print

Product price

\$29.99

14-day money back guarantee

If the bundle is not what you expected, write to us within 14 days of buying and we will refund the whole purchase. You do not have to give a reason. You do not need to prove anything, send us a log file, or let us try to fix the problem first.

Email support@gatewayguard.co from the address you bought with and give us your order number. We aim to answer within two business days.

Questions about your product? Contact William F. Burns III by replying to this email.

Payment info

All charges are processed in United States Dollars. Your bank or financial institution may apply their own fees for currency conversion.
